In a charming two-story home on Calle Rec 16, **Le Swing** Vintage offers its visitors clothes, accessories and other pieces of genuine desire, all original and from former glamorous decades. At **Le Swing Vintage**, women feel real like princesses among the delicate dresses from the New Look selection of clothing or the most significant of the mighty 80's, all in an intimate atmosphere. **Le Swing Vintage** offers an interesting proposal to the always unique vision of stylists and image consultants, eager to find the best pieces for their female clients, reports or productions. And all those who appreciate beauty and the unique, will certainly find some garment to fall in love with!

The twin sister, **Blow by Le Swing**, located on Calle Bonaire 6 is the more prominent option, colourful and trend setting, and therefore, a must for any lover of fashion and good design.
